Mastering Minimalist Illustration in Procreate: Uncover Your Artistic Voice and Signature Style

(...)

Book Recommendation:

Real Artists Don't Starve ~ Jeff Goins

- Fill the **Brainstorm Template** 
- Use Pinterest to create a *Moodboard*

Obs. : stick to only one brush for now

- Choose a topic to draw from:
 - Draw things related to this subject

**** Quantity over Quality!**

- Choose one of the objects that you drew and make 4 different versions of it
 - **Tip:** for a minimalistic style, you can keep it flat!

**** If you feel stuck look back at your references**

- Learn from others
 - Incorporate
 - Set yourself apart (comparison)
- Play around with arranging your core objects
 - white space: don't clutter your composition
 - Add some decorative objects
- Use different brushes and choose the ones that match the mood and message of your illustration
- Choose colors:
 - Base
 - Accent
 - 2 Neutrals

Sketch built!!!

- Use 1:1 or 4:5 formatting with big resolution
- At this stage, **Less is More**
- Experiment!!
- Add texture and fine-tune details

** She gives a lot of tips in lesson 12, but I'd better watch it again and text it directly on the Software

Procreate Brushes:

- Studio Pen
- Fat Nozzle
- 6B Pencil
- Soft Brush
